Leif and Matt

Tom and Rosemary should be reaching out today on this. We looked over the comments last night and I had a couple of questions. There is at least one issue I think we need to go back to Dave on.

Hi Jeaneanne and Leif –

Now that we have Dave's comments, can you work to ensure that this is the sum total of our edits – want to confirm there is nothing additional or no framing of these comments from OGC? Please work together to make sure we have a combined set of edits so that Jeaneanne can get this to FLA in short order.

Thanks,
Mary

So ignore all prior versions and use my attachment. The scanning process of my edits failed to pick up both sides of the page....

A few amendments. Most importantly, the last bubble should say **Ex. 5 Deliberative Process (DP)**

Draft, Deliberative

Mary, David,

Please see Dave's edits attached in redline. He also mentioned that I should send this to John and Mindy, but I'm holding on that for a moment until I receive confirmation.

Thank you,
Janita
